

FARRINGTON HIGH SCHOOL
SCHOOL COMMUNITY COUNCIL(SCC)
1564 No. King Street
Honolulu, HI 96817

Dear Farrington High School Student, Teachers, Staff, Alumni & Kalihi Community:

Welcome to the Farrington High School Community Council (SCC) Website. The School Community Council was created by the State Legislature in 1996 and established by the State Department of Education with rules and guidelines. We have posted some of these rules and guidelines to let you know that you have an avenue to provide input and feedback that will move the school towards improvements that will benefit the students.

As a proud graduate of Farrington High School(Class of '65), I firmly believe in our school motto, "enter to Learn, Go forth to Serve," a guiding principal in life for me and many Farrington High School graduates and alumni.

I invite all of you to assist in making Farrington High School an avenue and springboard to success for current and future students!

Sincerely,

Dennis Arakaki, Chair
